4 BEDROOM HOUSES IN THE HEART OF THE HIGHLY DESIRABLE SURREY HILLS

View from nearby Newlands Corner

Charming village setting with excellent connectivity in an enviable location set high in the Surrey Hills

An Area of Outstanding Natural Beauty

Highfield Grange is a small, select development of only four family homes situated in the idyllic, peaceful village of Peaslake in the heart of the protected and highly desirable Surrey Hills area.

Set over three storeys, each home at Highfield Grange offers well planned accommodation including four bedrooms and three bathrooms. Large tri-fold doors open up from the Living Room onto the garden to bring the outside in and take full advantage of the views over fields to the rear from the upper floors.

Midway between Guildford and Dorking, the village is home to its own village stores, a doctor's surgery, garage, parish church, the Hurtwood Inn and a renowned bicycle shop. The Peaslake Village Fair takes place in the village every August.

Peaslake is surrounded by delightful scenery with miles of undulating countryside and historic woodland providing endless opportunities for walking, biking and horse riding.

To the south of the village, there are vast expanses of heath and sandy common land that include The Hurtwood that offers over 60 miles of footpaths and bridleways along

with stunning views over the Weald to the South Downs. The pretty village of Shere, with good local shops is close by and is home to a 12th century church, The Dabbling Duck Tearoom, The White Horse and William Bray pubs. The nearby, gently flowing River Tillingbourne joins the River Wey at Guildford and is renowned for its tranquility and scenic walks.

For more extensive facilities, the historic town of Guildford is easily accessible and offers a diverse range of high street and independent shops, cafés, restaurants and entertainment, including The Yvonne Arnaud Theatre, Electric Theatre and G Live. In addition, a varied and outstanding range of sporting facilities are available at The Guildford Spectrum and Surrey Sports Park.

First class schools, both state and private, and colleges are located across the immediate region and include Peaslake's own Primary School and Nursery, nearby Duke of Kent

and Belmont Schools as well as Hurtwood House, Guildford High School, Cranleigh School, Royal Grammar School, Tormead School, Guildford College of Further & Higher Education and Godalming College.

For commuters, by both road and rail, the region is well served. The A25 is a few miles north and runs west to east from Guildford to Dorking, the A24 and beyond. The A3 London to Portsmouth road runs north to the M25 motorway which in turns accesses the national motorway network.

Mainline rail services run from both Guildford and Clandon stations to London Waterloo in as little as 38 and 45 minutes respectively, whilst a more local rail service operates from Gomsall Station to Guildford, Dorking, Reigate, Redhill and further afield.
